#### **ELIGIBILITY/TEST LEVEL:**

##### **TEST LEVEL:**

As of December 1, 2022, singles athletes may opt to accelerate their test progression within U.S. Figure Skating and thus compete at level(s) best suited for their technical skillset. Athletes must still meet the minimum requirements for each level and additionally, if participating within the National Qualifying Series (NQS) or National Excel Series (Excel), they will establish a **competitive floor** (i.e., the lowest level they can compete at).

The **competitive floor** is determined only by the level selected through the EMS Series Application for NQS or Excel and is not uniquely tied to competition registration (regardless of series participation).

*Example, if an athlete passed their junior free skate test in November and competed in the 2022-23 NQS as a Novice from July - September, they may register for either novice or junior in excel or well-balanced events. The novice level will remain their competitive floor until they complete an EMS Series Application at the junior level or higher for NQS or Excel.*

*Example #2, if an athlete passed their juvenile free skate but has not competed in NQS or Excel (i.e., they have not established a competitive floor), they have the option to compete pre-preliminary – intermediate (if skate up is permitted). While the options are wide, U.S. Figure Skating entrusts the coach to guide the athlete to select the appropriate level for the athlete based on their technical skillset.*

Eligibility Notes:

1. The singles free skate test levels will remain as a minimum requirement to compete.
2. Athletes may not skate down in any event.
3. This update does NOT apply to Adult, Showcase and Solo Dance.

If an athlete, coach, parent and/or guardian needs assistance with confirming their eligibility, email [events@usfigureskating.org](mailto:events@usfigureskating.org) or refer to information sheet [HERE](#).

Age restrictions/requirements: Singles free skate events (Well-Balanced Program) have the following requirements:

Juvenile: Girls – 12 years or younger; Boys – 13 years or younger  
Open Juvenile: Girls – 13 years or older; Boys – 14 years or older  
Intermediate must be under the age of 18  
Adults must be 21 years or older

Skaters entering pre-juvenile and lower events will be divided as closely as possible by age, should the number of entries warrant more than one group.

#### **For Adult Events:**

Age classes for all free skate and showcase events:

- Young Adult: 18 years through 20 years
- Class I: 21 years through 35 years
- Class II: 36 years through 45 years
- Class III: 46 years through 55 years
- Class IV: 56 years through 65 years
- Class V: 66 years and older

Age classes for all solo free dance and solo pattern dance events:

- Young Adult/Class I/II: 18 years through 45 years
- Class III/IV/V: 46 years and older

All age classes may be divided or combined depending on the number of entries and at the discretion of the Chief Referee and/or the competition committee.

All age classes may be divided or combined depending on the number of entries and at the discretion of the Chief Referee and/or the competition committee. Men and ladies will be combined in Adult 1 through Adult Bronze free skate and compulsory moves (based upon the Adult Competition Series rules), Solo Dance, Solo Free Dance, Jumps, Spins, and Dramatic/Light Entertainment events. Men and

ladies will not be combined in Adult Silver and higher free skate events. Athletes in Adult Silver and higher free skate events with no competitor of the same gender in another age class will be offered the opportunity to skate an exhibition for first place, skate up to the next higher level (if this provides a competitor) or be issued a refund. The Chief Referee reserves the right to request proof of age.
